## Rhondda Cynon Taf Reports

I am writing in response to your request for information, as clarified in your email dated 10 January 2019, in which you requested information regarding reports relating to Rhondda Cynon Taf County Borough Council.

For ease of reference, I have reproduced your question below and set out our corresponding response.

**'...the main Report I require is dated July 1999. I would also like copies of Reports that follow within a five-year period. Particularly if they concern RCTCBC Housing Grants Dept which is a Department I have identified as having very serious problems.'**

We do not hold information matching this description.

Following devolution in Wales, the Audit Commission retained responsibility for appointing auditors for local authorities in Wales for a five-year period, and any information relating to that period would be held by the relevant district auditors and/or the Audit Commission. The Audit Commission has now closed (see <https://www.gov.uk/government/organisations/audit-commission>) but information may be available through web archives.

You could also contact the Council directly and information about how to request information from the Council is available here:  
<https://www.rctcbc.gov.uk/EN/Council/DataProtectionandFreedomofInformation/FreedomofInformationAct.aspx>

If you have any queries, or questions about my handling of your request, please do not hesitate to contact me.

Yours sincerely

Information Officer
