## AAT

@YourAAT

AAT qualifications increase the effectiveness of people at the centre of successful businesses. We work with a wide variety of organisations across the Public Sector to support the development of highly skilled finance teams. Over the last 40 years we've built our reputation by ensuring our qualifications deliver tangible knowledge and skills that allow both employers and employees to be successful.

Think Ahead

## ACCA

@ACCA\_UK

ACCA (the Association of Chartered Certified Accountants) is the global professional body for professional accountants.

We're a thriving global community of 241,000 members and 542,000 future members based in 178 countries and regions, who work across a wide range of sectors and industries. We uphold the highest professional and ethical values.

We offer everyone everywhere the opportunity to experience a rewarding career in accountancy, finance and management. Our qualifications and learning opportunities develop strategic business leaders, forward-thinking professionals with the financial, business and digital expertise essential for the creation of sustainable organisations and flourishing societies.

Since 1904, being a force for public good has been embedded in our purpose. In December 2020, we made commitments to the UN Sustainable Development Goals which we are measuring and will report on in our annual integrated report. We believe that accountancy is a cornerstone profession of society and is vital in helping economies, organisations and individuals to grow and prosper. It does this by creating robust trusted financial and business management, combating corruption, ensuring organisations are managed ethically, driving sustainability, and providing rewarding career opportunities.

And through our cutting-edge research, we lead the profession by answering today's questions and preparing for the future. We're a not-for-profit organisation.

## **CIPFA**

@CIPFA

The Chartered Institute of Public Finance and Accountancy (CIPFA) is the only accountancy body in the world exclusively focused on the public sector. At the heart of our mission to build trust by strengthening public financial management is the CIPFA Professional Accountancy Qualification (PAQ). It delivers world-class public finance management training that focuses on technical competency, ethical principles, sustainable public value, and strategic thinking. It leads to the Chartered Public Finance Accountant (CPFA) designation and is the ideal next step for those seeking a challenging and rewarding career as a finance professional within the NHS.
