

Reference: IR896 Health Boards' bank spend

Date issued: 13 October 2023

Health Boards' bank spend

I have consulted colleagues here regarding the information that we hold. We do not hold information that specifically meets your request, i.e. expenditure on bank nursing. We do, however, hold information on nursing agency/locum expenditure by health board, though we would need to extract that from various records. As this may be information that you consider relevant, please let me know whether you would like us to collate and provide it to you.

Yours sincerely

Information Officer
