Caerphilly County Council Expenditure

We have published several reports relating to Caerphilly County Borough Council in the last year, which can be found by searching our website [here](#). If you filter publications by 'Caerphilly' you will be able to access the different reports we have published, which includes reports on counter fraud, digital, waste and performance information, and our annual audit summary. Most recently we published a Financial Sustainability Review that appears most relevant to your questions at this time and can be accessed [here](#).

Information on performance, budgets, and spending is published by the Council on their website, which can be accessed at the following link: [Caerphilly - Caerphilly County Borough](#).

If you have any queries regarding the handling of your request, please do not hesitate to contact me.

Yours sincerely,

Information Officer
