

Number of laptops

12 March 2014

Further to my email of 6 March 2014, I am now in a position to respond to your request for information of 4 March 2014 which was:

Could you please provide me with the total number of laptops owned by your organisation that were registered to and/or in the possession of staff members (whether directly employed by your organisation or otherwise) on the following two dates:

a) 1 May 2010 (or nearest available date – please specify), and

b) 1 May 2013 (or nearest available date – please specify).

We do not keep records regarding the total number of laptops allocated to staff at specific dates in the past. The total number of laptops allocated to staff / contractors is currently 278. The number of laptops allocated has remained broadly static between May 2010 and today.

I have not applied any exemptions, however if you wish to complain about my handling of your request, please email or write to me.

If you have any queries, please do not hesitate to contact me.

Yours sincerely

Ian Phillips
