## Details of Companies related to Heads of Valleys Development Company

We are now in a position to respond to your request for information, set out in your letter of 2 May 2017, for '**details of the nine companies which related to Heads of the Valleys Development Company (HoVDC) shareholders**'.

In your request you quoted paragraph 3.24 of the Auditor General's report The Welsh Government's Initial Funding of the Circuit of Wales Project, including, '*We have identified nine such relationships between individuals and companies to whom payments involving public funds were made*'.

I should explain that our reference to '*nine such relationships between individuals and companies*' was not intended to convey that nine companies were involved. Instead, the figure nine refers to a combination of individuals and companies. The companies referred to are actually seven in number, and their names and company numbers are as follows:

- Aventa Capital Partners Ltd, 07853817
- Stephenson Harwood LLP, OC373597
- Insight in Infrastructure Ltd (I3), 07790189
- Shaun Meadows Marketing Ltd, 08128731
- Barton Communications Ltd, 05293199
- Kalergo Ltd, 08809384
- Altitude Aviation Advisory Ltd, 08505044

I have not maintained any exemptions in relation to your request, but if you have queries regarding our handling, please let me know.

Yours sincerely
