

Disclosure log: WAO IT expenditure

Further to my email of 19 July 2016, I am now in a position to respond to your request of 18 July 2016, which was:

Please could you provide me with information about your ICT expenditure, as broken down in the attached template? I have included this template in order to make it easier for you to understand my requirements and provide answers.

I appreciate that you may publish contracts and transparency data, but I was unable to find the information to the level of detail I require in publish sources.

Within the response, please include:

- **Expenditure from all parts of your organisation (central services and business units);**
- **As well as your own organisation, expenditure for any subsidiary organisations that fall within the scope of your accounts; and**
- **Both revenue (or operating) expenditure and capital expenditure**

If you could input the answers in this template and return to me by email as an attachment, this would be much appreciated.

Please find the completed spreadsheet attached.

I have not applied any exemptions, however if you wish to complain about my handling of your request, please email or write to me.

If you have any queries, please do not hesitate to contact me.

Yours sincerely

Ian Phillips
