Head of Research Analysis Contact Details

Thank you for your email of 10 February 2017 in which you requested, **'the names and direct email addresses for your... Head of Research and/or Analysis'**.

I can confirm we do not have a Head of Research or Head of Analysis at the Wales Audit Office, nor do we have a specific department which deals with these areas. To explain, the Wales Audit Office has three departments: Financial Audit, Performance Audit and Corporate Enablers. Staff in all of these departments are involved in research and analysis.

In order to locate the member of staff most relevant to your request, you may find it helpful to view our organisational chart, which is on the ['About Us'](#) page on our website and can be accessed via [this link](#).

You can also find out more about our senior members of staff on the ['About Us'/'Who's Who'](#) page of our website.

I hope these links contain the information you are searching for. If not, please provide further details of the role for which you seek contact details, as I shall need such clarification in order to respond to your request.

Kind regards,
